

The Timble Inn

3 and 4 Night New Year Packages

“As with any celebration you must always start as you mean to go on, hence why all of our residents receive Champagne and Chocolates in their room on arrival. During a stay with us here through New Year’s weekend, all of your evening meals and breakfasts are taken care of within the package, including the 8 course tasting menu that has been skilfully prepared by our Head Chef to see out the last of 2017. After the meal there will be entertainment circling the room in the form of a close up magician and light background music. We pride ourselves on offering a relaxing experience and maintain that loud music and bands are not in keeping with what we offer, so please be reassured that a DJ or band will not be active that evening, just the art of conversation. And finally for the chimes and Auld Lang Syne, Champagne awaits to usher in 2018”
