	Magnum	Half Bottle	125ml	Bottle
<b>Nyetimber Classic Cuvée, England</b>	130.00	35.00	9.95	55.00
<p>The signature wine of Nyetimber is a classic blend of Chardonnay, Pinot Noir, and Pinot Meunier and is a perfect balance of elegance and intensity. The blend includes wines from all their vineyards and also from several vintages. The pale-golden hue and fine bubbles make their flagship Classic Cuvée Multi-Vintage the ideal occasion-ready drink – whether it's toasting a big birthday or simply finishing a busy week. Following extensive ageing in their cellar (usually more than three years), their Classic Cuvée Multi-Vintage has distinctive toasty and spicy aromas. A palate of honey, almond, pastry and baked apples gives it a hint of decadence. Intense yet delicate, elegant yet complex – it's no wonder it's consistently crowned one of the best English sparkling wines.</p>				
<b>Nyetimber Rosé, Multi-Vintage</b>			11.50	65.00
<p>A textured and generous rosé with a core of bright red fruit, evoking the English summer. This beautiful sunset-pink Multi-Vintage rosé has us dreaming of long, sunny days. Offering a unique combination of aromas, including British summer fruits and shortbread. Its creamy, round texture and refreshing redcurrant, raspberry and cherry flavours give it an elegant and silky finish.</p>				
<b>Nyetimber Cuvée Chérie</b>			9.95	55.00
<p>A wine designed with food very much in mind, the Cuvée Chérie Multi-Vintage was initially made to complement delicate British desserts, but it is equally well-suited to gently spiced and fragrant savoury dishes. This cuvée has the delicate sweetness of honey notes, balanced with pure citrus lemon and tangerine flavours and a refreshing minerality. Elegant, delicate and fresh, it works particularly well with richer foods.</p>				
<b>Nyetimber Blanc de Blancs 2013</b>				79.00
<p>An elegant wine of complexity and delicacy. A wine aged for a longer time on the lees to develop classic brioche and vanilla aromas. Blancs de Blancs holds a special place in the winery's heart as the first style of wine they ever produced, back in 1992. This 2013 has an enticing golden colour, tiny bubbles and delicate aromas. Aromas of fresh citrus are balanced with floral notes, and leading on to a rich pastry and brioche characters. Toasty and complex – as classic Blanc de Blancs should be.</p>				
<b>Tillington Single Vineyard 2013</b>				120.00
<p>This rare and refined wine shows the exceptional Pinot Noir character of one of our their celebrated vineyards. The Tillington Single Vineyard comes in limited quantities and is only produced in specific vintages. Light gold and hints of silver with minuscule bubbles and even more beautiful to taste, its aromas encapsulate the toasted topping of crème brûlée and meringue, building into strawberry and cherry in the glass. Flavours of mandarin and pastry lead to a vanilla flavour, ensuring it is both long and balanced with an underlying power.</p>

## **Pol Roger Sir Winston Churchill 2008**

**185.00**

Champagne Pol Roger created their Prestige Cuvée in homage to Sir Winston Churchill mindful of the qualities that he sought in his Champagne; robustness, a full-bodied character and relative maturity. The exact blend is a closely guarded family secret but it is undeniable that the composition would meet with the approval of the man to whom it is dedicated : "My tastes are simple, I am easily satisfied with the best". Pinot Noir predominates, providing structure, breadth and robustness whilst Chardonnay contributes elegance, finesse and subtlety. Composed exclusively of grapes sourced from Grands Crus Pinot Noir and Chardonnay vineyards which were already under vine during Churchill's lifetime. Cuvée Sir Winston Churchill is only made in the very best vintages and is always released later than the other vintage dated Champagnes from Pol Roger, marking Churchill's appreciation for older wines.

### **Vincent Girardin Meursault 2015 Vieilles Vignes, Burgundy, France**

**95.00**

Vincent Girardin continues the winemaking tradition of his father and grandfather before him, with a significant difference. The energetic and innovative Girardin has greatly expanded the number of appellations in his domaine either through inheritance, purchasing the land, or a system of leasing called "fermage". Vincent concentrates on the lesser-known appellations of the Côte de Beaune, which offer spectacular bargains, but in the past few years has added a stunning array of premier cru and grand cru wines from the most famous appellations in the Côte d'Or. The wine itself has a forward nose with tropical and stone fruits. Gorgeous, creamy texture on the palate. Complex with luscious peach and apricot fruits with a touch of wild honeycomb, wonderful balance and purity. Touch more exotic fruit and spice on the finish. A real charmer.

### **Puligny-Montrachet Le Trezin G.Thomas 2017, Burgundy, France**

**95.00**

Puligny-Montrachet is regularly referred to as the "greatest white wine commune on earth" providing the best expressions of Chardonnay. The Le Trezin vineyard is located high on the hill overlooking the village itself, with a total of 0.57 hectares of vines planted between 1973 and 1978 bordering the Premier Crus of Sous les Puits and La Garenne. The wines have a beautiful, floral bouquet and are well-balanced with great complexity.

## RED WINES

### **Chateau Clinet, Pomerol 2012, Bordeaux**

**145.00**

The prestigious Pomerol estate of Chateau Clinet delivered a humdinger of a wine in 2012, with incredible depth of fruit and really powerful, full-bodied character. The blend is 90 percent Merlot, fleshed out with Cabernet Franc and Cabernet Sauvignon and is very accessible now. Serious, concentrated black fruit nose yet with a wonderful vibrancy that adds serious class. Plenty of power on the palate with a serious 'wow factor' yet slightly polished, seductive style and creamy texture from the new oak. Backbone of fused red and black fruit that is integrated with a juicy mid-palate and subtle spice that flows onto a long savoury, sweet black fruit finish and fine tannins.

### **Chateau de Beaucastel Chateauneuf-du-Pape 2004, Rhone, France**

**110.00**

2004 was an unsung, but exceptional vintage with small yields due to high winds and the after-effects of the previous vintage's heatwave. Definitely a wine to recommend, with bright fruit and a soft palate lifted by highly attractive tannin and a silky mouthfeel, all tied together by a lingering, 'more please' finish. Considered one of the great wines of France, Chateau de Beaucastel is known for its sophistication, balance and beautifully concentrated fruit. Beaucastel has organically cultivated all the 13 permitted varieties of Chateauneuf-du-Pape since the 1960s and in varying degrees, these grapes create the Beaucastel blend – a rich, heady mix that is at the vanguard of this famous appellation.

### **Chateau Calon-Segur, Saint-Estephe 1995**

**225.00**

The 1995 Calon-Segur was the vintage that raised the profile of this estate and heralded the start of the late Mme Gasqueton's era. At 20 years of age, it shows no signs of reaching the end of its plateau. Far from it. It has an endearing bouquet that still seems youthful: brambly red fruit, asphalt and a light marine influence. Allowing the wine to open, there is a subtle winegum scent. The palate is medium-bodied with supple tannin, impressive depth and backbone, the second half having mellowed in recent years, rendering this approachable; hints of secondary truffle and smoke notes emerging with aeration. It is one that seems to become more and more impressive with age. Robert Parker rightly lauded this Calon-Ségur at the time of release. Twenty years on, it is fulfilling all its promise.

### **Maison Roche de Bellene Chambolle-Musigny Vieilles Vignes Villages 2015**

**140.00**

The commune of Chambolle Musigny is often said to provide the most delicate wines of the Cotes de Nuits. The area is roughly square in shape with a slight lip that points south toward Beaune where a high percentage of limestone and a distinct lack of clay dominate the terroir. As a result the wines are lighter in structure with real elegance and aromatic purity. Rich nose with slightly perfumed, bright summer berry fruits. Richer, more luscious style that gives the wine a gorgeous velvety texture. Backbone of blackcurrants and damson with plenty of freshness and vibrancy. Generous, slightly savoury, long autumn berry finish with fine tannins. Impressive and well crafted

### **Gaja Pieve Santa Restituta Brunello di Montalcino 2008**

**180.00**

Richly fruited with a lush, fragrant bouquet, there is a lot to this wine which reveals the profound, complex notes of a warmer, more exotic vintage in Montalcino. The nose offers up black cherry, kirsch liquor, cherry blossom perfume, and vanilla and licorice stick. There is a massive textural concentration and opulence immediately evident. This might be a first date but it's not a wine shy to reveal all its assets. Vibrant layers of raisined black cherry, cranberry and forest strawberries emerge in a luxurious, opulent, hedonistic expression.

### **Louis Latour Corton Grand Cru 2011**

**145.00**

Without a doubt one of the best value Grand Cru wines from Burgundy. Louis Latour owns small parcels in Clos du Roi, Les Bressandes, Les Greves and Les Perrieres. There is not enough to make single vineyard wines so they skillfully blend it together to make a straight Corton Grand Cru. Savoury and rich, with evolved fruit and a complex earthy character. Matured for 12 months in oak barrels.
