

WEDDINGS AT THE TIMBLE INN

THE
TIMBLE
INN

— ABOVE ALL — ELSE BE SURE TO CHOOSE THE DAY FOR YOU

"Congratulations on your engagement and welcome to The Timble Inn. Here at The Timble Inn we can help you plan your ideal Wedding breakfast and evening celebration. Our experienced team with over 20 years of event planning has helped design the grand and big down to the small and simple remembering always that no two weddings are ever the same."

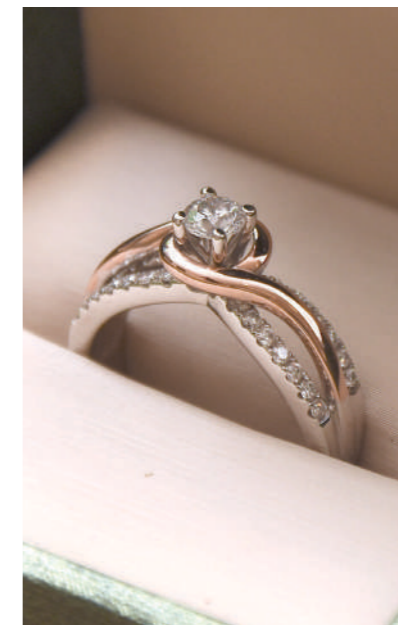

"Our beautiful Grade II Listed Inn is situated in the sleepy village of Timble in the heart of the Yorkshire Dales and surrounded by breathtaking countryside, the likes of which no other county can offer. Nine individually designed rooms including a four poster bridal suite are available to you and your guests, though should more accommodation be required the nearby towns of Harrogate and Otley will provide additional options. Bespoke arrival drinks and exciting canapés await after the ceremony and rings have been exchanged. Either taken outside on the lawn and decking, or in our warm lounge with its log burning stove."

"The oak beamed restaurant with its traditional décor boasts a more than well stocked bar with locally sourced beers, a plethora of gins and an extensive wine list. Divided across two interconnected rooms the restaurant is able to seat parties of 20-25 on each side with crisp white linen and candles adorning all the tables. Take pleasure in choosing a meal to remember for your family and friends, just remember to leave enough time for a speech and a dance."

“When you realize you want to spend the rest of your life with somebody, you want the rest of your life to start as soon as possible.”

Nora Ephron

**“How do I love thee?
Let me count the ways.
I love thee to the depth and breadth
and height my soul can reach.”**

Elizabeth Barrett Browning

SIMPLE YET SUBLIME — CEREMONIES —

Just a few yards down the road stands the old chapel, an ideal venue for a close-knit ceremony. Seating up to 30 guests, those who mean the most will be close by as you tie the knot.

Compact and understated, its rustic elegance befits the rural beauty of the surroundings. It's a great 'blank canvas' should you wish to add your own decorative flourishes.

The picturesque village offers plenty of gorgeous spots to capture some special moments on camera. However, if you're looking for a more spectacular backdrop, head a little way down the road where the stunning valleys of Nidderdale stretch out below you.

— PLANNING YOUR — PERFECT DAY

As one of the most important days of your life, it is crucial you choose a venue that is right for you. That is why we will always invite you for a show around and a meeting with our Wedding Coordinator prior to any commitment from your side. We want you to really get a feel for the place, to meet some of the staff and to help you realise exactly what you want from your special day.

If, after the meeting, you are sure that The Timble Inn is the place for you, then the planning can begin at your convenience. We want you to be able to create your perfect day, so we can tailor everything to your requirements. From the menu to the décor, everything has to be bespoke, just for you.
